

Dear Parent/Guardian,

Thank you for your interest in purchasing a laptop for your child's upcoming school year at Newhaven College. BAMITS will be happy to assist you with the purchase of an approved device from one of our recommended hardware vendors.

Due to global constraints on manufacturing and logistics we currently have only one model to recommend which; meets the College's recommended spec, is in stock at our distributor and is appropriately priced.

If you'd like to take the next step and have BAMITS provide a formal quote, please email the below information to orders@bamits.com.au

Your full name:

Phone number:

The name of your child:

After BAMITS has received these details, we will send you a quote which will highlight if there have been any changes to the pricing or availability of the device. If you choose to proceed with the quote, we'll provide an invoice that can be paid via direct deposit. Once payment has been received the device will be ordered and shipped directly to the College where it can be collected from the IT department, we will notify you when it arrives.

If you have any questions at all, please feel free to email orders@bamits.com.au or call 03 5191 9010.
